<sup>2</sup> A number of the studies in this supplement are important discussions of historical Jewish attitudes towards sexuality while others are more discussions of the topic sexuality in marriage. It is by no means an exhaustive list.

<sup>3</sup> In Cohen's article on the RaABaD (cited above) he thanks Hoshen for an advance copy of the article which was to appear according to his footnote (number 11) in *Jewish Quarterly Review*- it seems this article in *S'vara* is the article Cohen is referring to- since no article appeared of that name in *JQR* or by .
